

Since 1961.

The Presidential Memorandum on Federal Fleet Performance, dated May 24, 2011, requires that by December 31, 2015, all new light duty vehicles leased or purchased by agencies and located in the United States must be alternative fueled vehicles (AFVs).

Peace Corps has developed a five-year plan to achieve an optimal fleet of 100% alternative fueled vehicles by 2015 as detailed below.

Fiscal Year	Number of Vehicles	Number of AFVs	% AFV
2011	21	11	52%
2012	21	13	62%
2013	23	19	83%
2014	21	21	100%
2015	19	19	100%
