

Communities Around the World

Kenya

Kiribati

You can find people living in communities all around the world.

Liberia

India

Cape Verde

Communities are people living together in the same area.

Macedonia

Micronesia

Fiji

Communities can be large, small, urban or rural.

Zambia

China

Dominican Republic

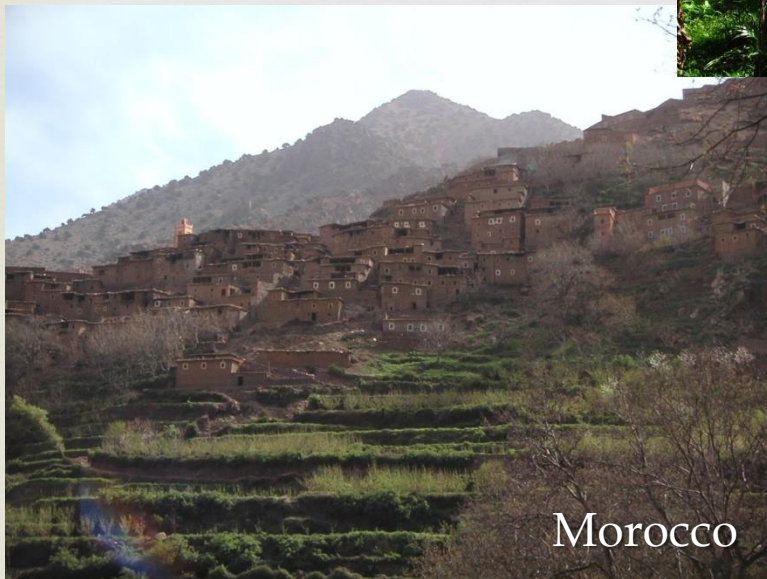

Macedonia

Niger

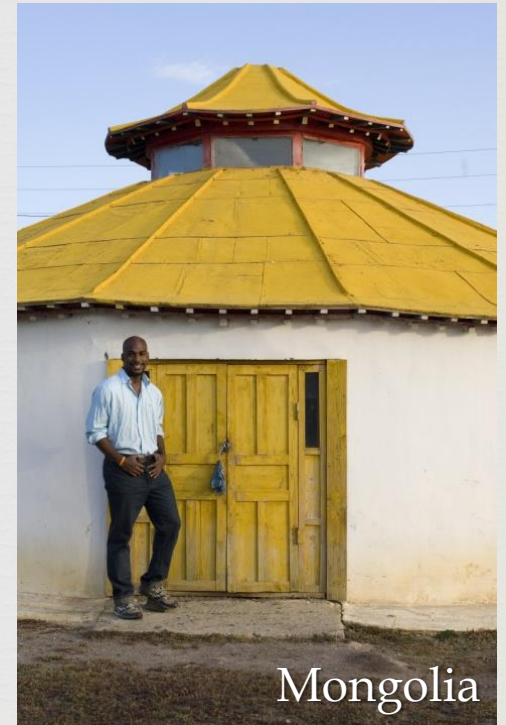

Panama

Morocco

Communities may be made up of the homes and neighborhoods where families live.

Mongolia

Many communities have people who are leaders. They help the community make decisions. These can be mayors, elders, captains, or councils.

Ukraine

Armenia

Philippines

Morocco

Guatemala

Communities have places like stores, markets, and farms, where people can get the items they need.

Malawi

Communities also have schools where young people can go to learn new things.

China

Burkina Faso

Cambodia

Thailand

Romania

Nepal

Macedonia

China

Uzbekistan

Many communities around the world have churches, temples, synagogues, mosques, or other places to practice religion.

Fiji

Niger

Tanzania

Communities are places where people can celebrate their culture.

But the best thing about communities is that they are full of people helping each other.
