

PEACE CORPS

Overseas Request for Quotation (RFQ) for Perimeter Wall Security Upgrade Works

RFQ Number: 635-23-008

Date: March 27-April 04, 2023

Peace Corps Gambia has a need for a contractor to complete upgrade works at its new head office in Banjul. Peace Corps is soliciting fixed-price quotations from you and several of your competitors for the supplies and/or services detailed below.

If you are interested in submitting a quotation, please do so by sending your completed and signed Attachment 1—Vendor Quotation Form via e-mail to: gm-announcements@peacecorps.gov

Quotations are due no later than 5pm on Tuesday, April 04, 2023. Late quotations will not be considered.

Written questions about this Request for Quotation (RFQ) may be sent same address listed above in advance of the RFQ due date. No phone calls please.

Peace Corps will evaluate all quotations received by the deadline based on the minimum requirements and/or evaluation factor(s) shown below. Contingent on the availability of funds and continued need for the supplies and/or services, at the end of the evaluation process, Peace Corps intends to award a firm-fixed-price contract for the purchase of the required supplies and/or services to the selected vendor.

A. Statement of Work/Description of Requirements

To remove the existing perimeter fence and construct new solid block 9feet tall fence using re-enforced sand concrete blocks. Level off the ledge below the wall; level off external line of existing coping; build new reinforced concrete coping incorporating razor wire V-shape metal supports.					
Install razor wires. Plaster constructed area and paint the whole perimeter fence on agreed on Peace Corps Gambia preferred color. (razor wire will be provided by Peace Corps)					
	Description	Unit	QTY	U.P	Total Cost
	SITE INSTALLATION				
	Site installation				
	CONSTRUCTION WORKS				
	Taking down and demolishing of the existing wall, leaving the base +Columns + foundation				
	Masonry of walls with sand concrete blocks 150mmx200mmx400mm to reach 9ft high				
	Reinforced concrete dosage 350kg/m ³ for half columns, to reach 9ft.				
	Plaster constructed part with cement mortar				
	Level off the ledge (foot pad below perimeter wall) plastering with cement mortar				
	Surface preparation (Internal and external walls)				

	Priming of surfaces to be painted				
	Supply of oil based paint and apply (two) coats of (emulsion) paint. Color to be decided by peace corps.				
	SUB TOTAL				
	RAZOR WIRE (<i>will be purchased by Peace Corps</i>)				
	Prepare and Install razor wire using the V shape metal support already planted into the concrete on top of the fence. Ensure razor wire is solidly affixed and will not be ripped off by strong wind over time.				
	Miscellaneous				
	SUB TOTAL				
	TOTAL				

B. Place of Performance

Site visit before submission: Wednesday March 29th , 2023 at 12:00 pm (Khamsys Technologies, Bijilo, Gambia)

C. Contract Terms and Conditions

As an Agency of the United States Government, Peace Corps has an approved contract template that it intends to use for the award. Peace Corps reserves the right to deny making a contract award to a vendor should they refuse to sign the Peace Corps approved contract template.

D. Minimum Criteria:

A quotation will not be considered further if it does not meet the following minimum criteria:

- It is complete and is received by the specified deadline.

E. Evaluation Factors:

Quotations that meet the minimum criteria listed above may be further evaluated based on the following factors:

- Price
- Delivery time
- Previous experience in similar projects – Please add references.
- Readiness to start as soon as possible.
- Capacity to Fund the entire construction work without asking PC for advance payment.

Award may be made with or without negotiations between the Peace Corps and the selected vendor. Award may be made to a vendor that provided the lowest priced technically acceptable quotation, or to a

vendor other than the one that provided the lowest priced quotation, should that vendor be determined to have provided the best value quotation to the Peace Corps taking technical and cost factors into account.

All vendors that submit quotations in response to this RFQ will be notified of the results.
