

Request for Quotation (RFQ)

Looking for:

- 1. A Training Team to facilitate the climate change governance activity titled "Building Local Government Unit (LGU) Champions for Resilience"**
- 2. Hotel, Venue or Resort in Pampanga or Nearby Provinces**

The U.S. Peace Corps/Philippines is a global humanitarian and development agency of the United States of America and is part of the U.S. Embassy Mission in the Philippines. Founded in 1961 by President John F. Kennedy, Americans volunteered to work for two years serving people and communities in developing countries. Peace Corps Philippines has 140 volunteers throughout the Philippines serving in these sectors: Education, Coastal Resource Management, and Community Youth and Families. For more information view our website: <https://www.peacecorps.gov/philippines/>.

US Peace Corps is posting this bid request the following:

- 1. A Training Team to facilitate the climate change governance activity titled "Building Local Government Unit (LGU) Champions for Resilience" to provide such training for at least 60 participants on May 6 to 10, 2024**
- 2. Hotel, Venue or Resort in Pampanga or Nearby Provinces to provide supplies and services in terms of accommodation, meals, training facilities and related for the above event on May 6 to 10, 2024**

Interested parties are required to complete the [Official RFQ \(Request for Quotation\)](#) in submission of bids. For more details about the RFQ, please email your inquiry to evila@peacecorps.gov. Thank you.
