

Instructions:

1. Reach out to some friends or counterparts from your site and ask them to complete the following survey and send it back to you.
2. Send the blank survey to the teacher or club leader that you will be working with and ask them to have the students fill out their answers ahead of time.
3. OR you could have students complete this survey on the date of your presentation.
4. Divide the learners into groups. Distribute one of the responses that you got from a friend or counterpart to each group.
5. Let students compare their own answers with those of someone from your host country. They could discuss:
 - What is similar?
 - What is different?
 - What surprises them?
 - What further questions do they have?

NAME _____ Age _____

Finish the sentences:
