1.0 Purpose
This Manual Section sets forth the limited role the Peace Corps plays with respect to the deferment, forbearance, or cancellation of Volunteers' student loans.

2.0 Authority
22 U.S.C. 2503 (b)
3.0 Policy

(a) The Peace Corps has no authority to grant a deferment of a Volunteer’s student loan obligation, to permit forbearance of student loan, or to pay down, cancel, or forgive a Volunteer student loan obligation. Moreover, the Peace Corps has no authority to determine if a Volunteer is eligible for a loan deferment, forbearance, cancellation, or forgiveness. A determination of a student loan deferment, forbearance, cancellation, or forgiveness is at the discretion of the lending institution or loan servicer and their respective student loan policies.

(b) The Peace Corps will cooperate with a Volunteer seeking a student loan modification or forgiveness by certifying the Volunteer’s Peace Corps service in accordance with all applicable policies.

(c) The Peace Corps will permit a Volunteer to apply to have a portion of the Volunteer’s accrued Readjustment Allowance applied to repayment of the Volunteer’s student loan.

4.0 Roles and Responsibilities

4.1 Volunteers

(a) Volunteers are responsible for ensuring that their student loans are current and that principal and interest on the loans are paid in accordance with the terms of the loan. Volunteers are required to take appropriate action in dealing with their lending institutions (which may include a U.S. Government department or agency) and servicers to request and submit deferment, forbearance, cancellation, and forgiveness forms, and in learning the regulations concerning grace periods applicable to their particular type of loan.

(b) If a Volunteer wants to apply a portion of the applicable accrued Readjustment Allowance to the payment of principal and interest on a student loan, the Volunteer is responsible for submitting a Readjustment Allowance withdrawal request. The accrued amount applied to the payment cannot exceed the single payment withdrawal limitation specified in MS 223 Volunteer/Trainee Readjustment Allowance. (See generally MS 223 for information concerning Readjustment Allowance withdrawals.)

(c) All matters related to student loan deferment, loan repayment, cancellation, and/or forgiveness of loans are the Volunteer’s sole responsibility. As such, Volunteers, or their designated Power of Attorney, should follow up directly with their lender(s) to determine the status of their loan deferment, forbearance, cancellation, and/or forgiveness request(s) in a timely manner. They are also responsible for contacting the Volunteer and Personal Services Contract (PSC) Financial Services Office (OCFO/GAP/VPS) to obtain the status of their request to apply a portion of their Readjustment Allowance to loan repayment.
4.2 Authorized Certifying Official

(a) An Authorized Certifying Official is a Peace Corps employee who is authorized to execute the necessary forms and documentation required by a lending institution regarding a Volunteer’s Peace Corps status for deferment, forbearance, cancelation, or forgiveness requests (see Attachments A, B and C).

(b) Current Volunteers, their Powers-of-Attorney, and/or the individual designated on the PC-CFO/VPS-128.4 (Privacy Act Waiver – Financial Information) can request execution of certification forms or documentation from an Authorized Certifying Official in OCFO/GAP/VPS. In addition, Volunteers may request execution of certification forms or documentation from the Staging Coordinator during the Volunteer’s staging or the Country Director during Peace Corps service.

(c) Returned Volunteers can request execution of certification forms or documentation from an Authorized Certifying Official in the Office of 3rd Goal and Returned Volunteer Services (EA/3GL).

(d) The Authorized Certifying Official is responsible for timely completion of the forms and documentation submitted by a Volunteer who is requesting deferment, forbearance, cancelation, or forgiveness of a student loan. If the Authorized Certifying Official has any questions about the forms, OCFO/GAP/VPS should be consulted.

4.3 Office of the Chief Financial Officer/Global Accounts Payable/Volunteer and PSC Financial Services (OCFO/GAP/VPS)

OCFO/GAP/VPS is responsible for processing any request by a Volunteer to have a portion of the Volunteer’s accrued Readjustment Allowance used toward student loan repayment.

5.0 Loan Deferment, Forbearance and Cancellation, and Forgiveness

5.1 Student Loan Options

Under various Federal and private or state student loans programs, there may be certain options available to Volunteers to modify their student loans. The modification options that may be available to Volunteers with student loan obligations include the following:

(a) Deferment – a period of time during which repayment of principal of the student loan is temporarily delayed. Under certain circumstances, payment of interest on the loan may not be required.

(b) Forbearance – the temporary tolling of the obligation to repay scheduled payments of principal of the student loan, but interest may continue to accrue.

(c) Cancellation – nullifying the obligation to repay a designated portion of principal and interest on a student loan.
(d) **Forgiveness** – a borrower employed in certain public service positions, including service as a Volunteer, who has made 120 payments on a Direct Loan (after Oct. 1, 2007), may be eligible to have the remaining balance of a student loan forgiven. Only payments made under certain repayment plans may be counted toward the required 120 payments. For more information, consult https://studentaid.gov.

5.2 **Availability of Options**

5.2.1 **Federal Loan Programs**

Volunteers with outstanding student loans may be able to modify their student loans and should contact their lenders prior to their service to determine if their Federal student loans may be modified. More information may be obtained at https://studentaid.gov/h/manage-loans.

5.2.2 **Private and State Loan Programs**

Volunteers may have borrowed under different private and state sponsored student loan programs. In order to determine the options available to modify or forgive student loans under these programs, Volunteers must contact directly the lending institutions that extended the loans or is servicing them. Volunteers are responsible to contact their lenders prior to their service to determine if their private or state student loans are eligible for modification.

6.0 **Loan Repayment Arrangements**

After Peace Corps service or in the event of an early termination, it is the Volunteers’ responsibility to contact their lenders to arrange repayment of loans that were deferred. They may also contact their lenders to determine if their circumstances qualify them for continued or new deferment or forbearance of loans under the applicable student loan program.

7.0 **Effective Date**

This Manual Section shall become effective on the date of issuance.
