1.0 Purpose

This Manual Section provides for the designation of Sexual Assault Response Liaisons (SARLs) at each Peace Corps post and sets out their duties and responsibilities. As used in this Manual Section, the term Volunteers includes Trainees.

2.0 Authority

22 U.S.C. 2507b (a)(2)-(3)

3.0 Sexual Assault Response Liaisons

Each Peace Corps post must designate two SARLs. To the extent possible, SARLs should be full-time Peace Corps staff members who have volunteered to be SARLs. Such staff members will assume the voluntary duties of a SARL in addition to their regularly assigned duties. If there are not enough candidates who meet the required standards from among full-time Peace Corps staff members who have volunteered to be SARLs, the Country Director should designate appropriate full-time Peace Corps staff members to be SARL candidates.

If there are not sufficient applications from Peace Corps staff members who meet the requirements set out in sections 3.0 and 3.1(a), then the Country Director may designate a staff member as outlined in section 3.0.

- (b) The SARL application, developed by the Office of Victim Advocacy, will provide background and other information that the Office of Victim Advocacy and the Office of Global Operations deem appropriate.
