The United States Peace Corps/Madagascar is recruiting for:

**ONE (1) PROGRAMMING & TRAINING ASSISTANT FOR HEALTH (PTA/HE)**

The Programming and Training Assistant (PTA) for the Health Project reports to, and supports the HE Program Manager (PM/HE) in program management, Volunteer training design and implementation, Volunteer support (cultural, technical, professional, and personal), program monitoring and evaluation, reporting, identification and development of Volunteer work sites, and in a variety of administrative support duties.

**REQUIRED QUALIFICATIONS**

**Education:**
- Baccalauréat, or a minimum of 3 years’ progressive work experience

**Work Experience:**
- Minimum three years progressive work experience in the international development, public health, nutrition, or social work fields
- Demonstrated experience organizing and facilitating trainings or events for diverse groups of people

**Language Proficiency:**
- Level 3 language proficiency in both English and Malagasy, according to the Interagency Language Roundtable [http://www.govtir.org/](http://www.govtir.org/)

**Other:**
- Ability to travel extensively within Madagascar, including overnight, by auto, train and/or airplane as convenient for the Peace Corps. (The PTA travels outside Tana approximately 55% of the year);
- Ability to pass a background check conducted by the United States Embassy;

**STRONGLY DESIRED QUALIFICATIONS**

- Degree or advanced training in Public Health, nutrition, or social work
- Experience in project monitoring, evaluation, and design, especially in the Health sector;
- Experience in training design and facilitation, especially for adults;
- Strong interpersonal skills, including coaching, public speaking, and the ability to motivate adults;
- Fair command of Malagasy culture(s), and the ability to de-code and analyze it for foreigners;
- Experience working with Malagasy government officials (especially within the Ministry of Health), NGO representatives, or representatives of private voluntary organizations in the public health field;
- Experience in collaborative, cloud- or app-based software, presentation and other professional software;
- A commitment to support diversity and gender equity;
- Self-starter with strong organizational skills, especially in a fast-paced and fluid work environment;
- Prior experience working with Peace Corps.

Interested applicants should go to [https://www.peacecorps.gov/madagascar/contracts](https://www.peacecorps.gov/madagascar/contracts) for additional information.

**Applications must be RECEIVED by September 8, 2017 by 04:00 PM, local time.**

Applications must submit their application packets (Format pdf) by email to [MG-Jobs@peacecorps.gov](mailto:MG-Jobs@peacecorps.gov)

Please include “Ref: PTA HE” in the subject line of the e-mail

To be considered, all applications must include the following:
- A letter of interest (in English) along with a CV containing the contact information of 3 professional references and addressing the required qualifications,
- A certified photocopy of the ID card, and
- Copies of all certificates related to the qualifications needed for this position.

Applicants with high potential will be asked to come for an interview at the Peace Corps office. Incomplete applications will not be considered. Peace Corps reserves the right to consider applications from this announcement within the next six months.
