

Peace Corps Regions per Assignment Areas

This brochure is designed to assist MI Coordinators in identifying Assignment Areas (AAs) in specific regions*.

The Peace Corps works in countries from Asia to Central America, and from Europe to Africa. In each of these countries, Volunteers work with governments, schools, and entrepreneurs to address changing and complex needs in education, health and HIV/AIDS, business, information technology, agriculture, youth development, and the environment.

***The following data is projected from 2011 regions and hence cannot be guaranteed in every country of the region nor throughout every time of the year.**

January 2011
