

Peace Corps
FY15 Conferences Greater than \$100,000
per OMB Memorandum 12-12, Promoting Efficient Spending to Support Agency Operations
To be published on or before January 30, 2016

Title	How does the conference advance agency mission?	Date	Location	Attendees	Cost
International Agriculture Training Package Roll-Out Training of Trainers	This workshop aims to provide Food Security resources and ideas for overseas staff to be able to better train PCVs to implement food security projects at post. The outcome of this workshop will allow staff to better support Volunteers as they carry out the three goals of the Peace Corps during their service.	12/09/14	Morogoro, Tanzania	40	160,000
Global Gender POC Workshop	The USAID/Global Education Framework funded workshop aims to help posts integrate gender analysis and considerations in the programming, training, and evaluation cycle and to cover the important aspects of the new Gender Guidance for Peace Corps.	01/22/15	Washington, DC	70	310,000
Europe, Mediterranean, and Asia Director of Management and Operations and Financial Assistants Conference	The EMA region DMO-FA Conference supports Peace Corps' mission in that this is an opportunity for region DMOs, FAs and HQ staff to discuss topics of regional importance, share best practices in the financial, budgetary and contractual arenas and to improve Volunteer support, and familiarize overseas staff on current HQ initiatives and strategies.	02/23/15	Chiang Mai, Thailand	50	110,000
Africa Monitoring & Evaluation Workshop	This workshop aims to deepen and expand the range of staff's ability to monitor, report, and evaluate the work of the Volunteers in the field. The outcome of this workshop will allow staff to better support Volunteers as they carry out the three goals of Peace Corps during their service.	03/02/15	Lusaka, Zambia	30	100,000
Global Director of Programming and Training Conference 2015	This workshop aims to provide all Directors of Programming and Training with the tools to improve staff performance, Post performance, and Volunteer performance. The outcome of this workshop will allow staff to better support Volunteers as they carry out the three goals of Peace Corps.	03/24/15	Washington, DC	70	270,000
All VRS Training 2015	This training for the staff of The Office of Volunteer Recruitment and Selection (VRS) directly supports the Peace Corps mission "to promote world peace and friendship" by equipping all VRS staff with the knowledge and skills to implement the Volunteer Delivery System (VDS) goals. Successful implementation of the VDS goals allows VRS to achieve its mission to promote the Peace Corps, recruit and place qualified wo/men who represent the diversity of the US to serve overseas, and directly support the Peace Corps mission.	05/04/15	Norman, OK	210	280,000
Africa Financial Assistant/Administrative Assistants Conference 2015	The Africa Region FA/AA Conference supports Peace Corps' mission in that this is an opportunity for locally engaged and HQ staff to discuss topics of regional importance, share best practices on administration and finance, and familiarize overseas staff on current HQ policies and procedures, as well as initiatives and strategies.	05/18/15	Saly, Senegal	70	180,000
Africa Directors of Management and Operations Conference 2015	The Africa Directors of Management and Operations (DMO) Conference supports Peace Corps' mission in that this is an opportunity for region DMOs and HQ staff to discuss topics of regional importance, share best practices on administration and finance, and familiarize overseas staff on current HQ policies and procedures, as well as initiatives and strategies	06/19/15	Wavlis Bay, Namibia	50	190,000
Africa Small Grants Coordinators Workshop	The Small Grants Coordinator Workshop directly supports the Peace Corps' mission by enhancing our ability to meet Goal 1. The small grants program manages USG and private funds efficiently and effectively to facilitate sustainable local capacity development.	06/25/15	The Gambia	40	170,000
Community Engagement & Extension Methodology Training Package Roll Out - Training of Trainers	This workshop aims to provide Food Security resources and ideas for overseas staff to be able to better train PCVs to implement food security projects at post. The outcome of this workshop will allow staff to better support Volunteers as they carry out the three goals of the Peace Corps during their service.	07/07/15	Accra, Ghana	40	120,000
